

THE WILLIAM H. BACK CEMETRY

To reach this cemetery, from the junction of Routes 15 and 30 in Jackson, KY, take Route 30 2.6 miles and turn right onto Round Bottom Road. Cross a small concrete bridge and turn to the right. This short road leads you to a home and it's OK to park in the yard. Alternatively, it is possible to drive up the road from the house to the cemetery when the weather has been dry for a couple of days. The road is gravel for the first half, and the second half is a dirt road. Each section of this road is approximately one-tenth of a mile.
